La Monte Cemetery
Also known as LaMonte Cemetery

38.46.56N – 93.25.55W: La Monte Township, Section 10. On the northwest corner of the city. Attended and accepting burials. One of the seven medium-sized cemeteries in the county.

Two of the older sections (2? & 3) were recorded by Mrs. J. R. Carter, with the caveat that she recorded only the older markers, and will be kept separate from my recordings as this proceeds. Her newest recorded marker is 1963. None of Mrs Carter's work has been checked, so expect errors and omissions from her time period.

La Monte is laid out in five rectangles rolling over a knob. They run east to west, the northern two are a few feet longer than the southern three. And the center section (3) is only half as wide as the other four. To the west of each rectangle has been added five squares (roughly). My guess is that it would take five days to record this cemetery with accuracy. One day down. GCW

LaMonte TWP 46N, Range 23W, Section 10; West 8 miles on Highway 50 to 127, North 1.5 miles to LaMonte Road, West to lane into cemetery.

LaMonte Cemetery is located in LaMonte Township, about 12 miles west of Sedalia, Pettis County, Missouri, on Highway 50. Lamonte Cemetery was laid out shortly after the founding of the town. It occupies a position in the northwest part of the village and is on a beautiful spot of ground. This beautiful village was laid out in 1866 by Colonel Frank Hickox and J. R. McConnell. The first house erected in the village was built by Mr. James. Other early settlers in the village were George H. Hardey, John Harris, J. S. White, A. J. Hall, J. R. Wade, Dr. A. P. Snoddy, Jule Busch, and Thomas and William Emerson. Transcribed by Mrs. J. R. Carter in 1964 (but not a complete transcription) and the DAR in 1969; updated by the DAR in 1986; Section 1 was recorded by George C. Willick on 5 June 2004; Justin Watkins recorded half of Section 4 and Carol and Amy Watkins partially recorded Section 5 on 29 July 2009; Willick was correct that Carter did Sections 2 and 3; the transcription of all sections (except for that portion of Section 3 previously transcribed by Carter and Section 1, which was transcribed by Willick in 2004) was completed by Carol, Amy, and Justin Watkins on 21 August 2009

From the Wednesday, August 31, 2005 issue:

Paul L. Whitehead, Kansas City

Paul L. Whitehead, 86, of Kansas City, died Thursday, Aug. 18, 2005, at his home.

He was born in Sedalia, a son of Crawford Cronin and Sallie Marie Wilson Whitehead. He was married to Ruby Ellen Bolten. He later was married to Pansy Parrot, who died earlier. He then was married to Juanita Marjorie Hutchison McBride, who survives of the home.

Mr. Whitehead spent most of his younger years in La Monte, where he enjoyed hunting, fishing, going to school and working on the farm with his Uncle Charlie. After graduating, his parents moved to California. He was inducted into the Army and spent three and a half years in the medical department at Letterman Hospital in San Francisco. He was then sent overseas for a year, spending time in France and Germany. He worked for lumber yards. He was a co-manager and manager for about 33 years. He retired from the lumber yard in Cameron. He joined the Christian church in La Monte, when he was a teenager. He later changed to Nashua Baptist Church in Kansas City. He was an Odd Fellow and belonged to all four branches.

Also surviving are a son, Ronald, and his wife, Sandie, of Rantoul, Kan.; and a grandson, Eric Lee, of West Palm Beach, Fla.

Graveside services were Aug. 23 in La Monte Cemetery.

Arrangements were under the direction of Mount Moriah Terrace Park.

Arlie Solomon Lewis - I have her obit - was surprised that it was a woman - thought Arlie was a man. The dates are correct - obit says she was married to Steve Lewis on 12-28-1919, "who proceeded (really!) her in death several years ago. I look for DC's but didn't find him - obviously he is not buried at Longwood. In fact, I can't figure who she is related to in that neck of the woods. Oh, it does say she had two half brothers named McGuire and I remember typing a maiden name of McGuire when I was writing yesterday - will find it again later.

This one looks good - Orear, Kathinka - Obit says she was born Nov. 21. I am always inclined to take a second look at birth and death dates when I do a book - because it would be so easy to make a mistake when one is giving information for the death certificate which is usually an immediate thing. Feel like the obit comes later - and they have had time to think more clearly. I also am more inclined to go with what the tombstone says. Just mentioning this - not a biggie –

NOTE: At Boonslick Regional Library is a booklet by Corinne Taylor Toussaint, *How Dear to My Heart: My First Fourteen Years, 1913-1927* (Sedalia, MO: Corinne Taylor Toussaint, 1975, revised, 1983): "This is a book about the author's life as a child on a Missouri farm in the 1920s. Corinne Taylor Toussaint was born and raised in Pettis County, Missouri, graduated from Central Missouri State University and received a Master's degree from the University of Missouri. She has taught English and Business at the college level for most of her life, returning to Missouri in 1979 upon the death of her husband. Her book was originally written for the children in the family, but it has also proved to be of interest to many who remember life in the 1920s."

Mount Herman Cemetery

Cedar Township – Section 10. North on 65 from Sedalia about 3+ miles to Mt. Herman Road on the right (east). Cemetery is a third of a mile on the left (north). Fenced, attended. The cemetery, once to the rear (north), now encloses the church on three sides. A very active rural cemetery. Below you will find several spellings for certain surnames; Sprinkle and Swope both have an "s" added, and Mettenburg has three variables based on met/mit & berg/burg.

Transcribed By Laura Paxton.

Those with an asterisk* following their names were the original members of the West Liberty Church, which was a log cabin built on a one acre plot purchased from Solomon Reed, who also was a member of these families. This was the first church and Burying Ground in Pettis County Missouri. These were all buried in the original graveyard. More land was added later and Mount Herman Church was established Aug 7 1887.

This cemetery has been called other names prior to Mount Herman which appeared in the 1880s. Before, it was also known as Muddy Fork, Georgetown, Bethlehem, Mount Olive, Cravens and Mason Burial Ground. **Betty Wasson Singer provided an updated listing of Mount Herman Cemetery in 2001 in "*Just like a Visit*." This was followed two years later with an update in *Life and Times along Muddy*. This cemetery was also updated by George C. Willick on 7 June 2003. Another transcription is available on the Pettis County genweb site. The list I provide is based on Betty Wasson Singer's material and is updated from various obituaries off of the Pettis County genweb site and the websites of the *Sedalia Democrat*, Ewing-Schutte-Semler Funeral Home, Heckart Funeral Home, and McLaughlin Funeral Chapel**

Washington Township, Section 5. Two miles east of Green Ridge on the north side of Dove Road. NW of Wisdom Road intersection.

Partial list from photos taken by Rob Nicholas.

[112] He died in Shelby County, Missouri. The death certificate lists him as being buried in Mt. Zion Cemetery in Shelby County; but his obituary states that the services were held at Mount Zion Church in Dunksburg, which is in Johnson County, Missouri; therefore, I list him here

Washington TWP 44N, Range 22W, Section 5 (S ½ of SW); South on Highway 65 to B, Southwest on B to 127, South on 127 through Green Ridge to Wisdom Road, South and East to Dove Road, West .5 miles on North side of road

This cemetery was transcribed by Mrs. Juanita Waggoner, Mrs. Lucetta Landon, and Mrs. Georgia Chancey of the Sedalia LDS Church on 8 August 1960. A partial transcription is also taken from photos by Rob Nicholas on 27 November 2006; I could not locate this cemetery on 14 June 2009; checked death notice for Burnis K. Simmons in the *Kansas City Star*—it states he was buried in Nelson, Missouri. This cemetery was not in or near Nelson, Missouri. The Rob Nicholas update is for Nelson Cemetery in Nelson, Saline County, Missouri, and not this cemetery.

Rabourn Cemetery

AKA Pemberton-Rabourn Cemetery

Elk Fork Township, Section 3. West on 50 Hwy 8 ½ miles to 127. South on 127, 6 miles to Y. West on Y, 1.6 miles. Cemetery is on north side of Y, back about 20 yards from the road. If you approach it from the east you'll miss the driveway. Fenced (posts rotting), but maintained on rare occasions…needs complete clearing

except for the grandfather trees. The county should close this to burials…which are occurring on a 'find a space' basis. You would have to say that the grave plat is irregular.

Elk Fork TWP 45N, Range 23W, Section 3; West 8.5 miles on Highway 50, South 6 miles on 127, West 1.6 miles on Y; Cemetery on north side

Transcribed by Gale R. Yocum, 6 September 1975, printed in the *Prairie Gleaner* 6, no. 4 (September 1975), 118-120. Also known as "Rayburn Cemetery"; updated by George C. Willick on 24 April 2004; I visited this cemetery on 18 July 2009—the gate has the label "Rabourn Cemetery" on it

Flat Creek Township, Section 36. Southern Methodist Cemetery six miles southeast of Sedalia on M to Pleasant Hill Road. West on Pleasant Hill Road 1.6 miles to the Methodist Church on the right. Cemetery is behind the church and surrounded by a chain link fence. Well attended and currently accepting burials.

Flat Creek TWP 45 N, Range 21W, Section 36 (NE of NE); East on Highway 50 to M, South on M to Pleasant Hill Road, West 1.6 miles on Pleasant Hill Road to Methodist Church on the right

The land for this Southern Methodist Church was given by a descendant of one of the township's earlier settlers, Abraham Chaplin McCormick, from Mercer County, Kentucky, in the early 1830s. Both the church building and cemetery are kept in good condition. The early burials are those of the Leiter family from Ohio. One of the Osage Chapter DAR members has her ancestor through this line, Mrs. Jack Fowler. Cemetery records were copied by Mrs. Ira A. Leiter, Miss Mamie J. McCormick, and Mrs. Frank B. Van Dyke before July 1953.

This cemetery was transcribed by Miss Janice Landon, Mrs. Lucetta Landon, Mrs. Georgia Chancey, Mrs. Edna Wilson, Mrs. Maggie Furnell, and Mrs. Juanita Waggoner of the Sedalia LDS Church on 20 July 1960. Go south on State Road C 4 ½ miles from Sedalia, turn west on side road, go ¼ mile, turn south and go 1 ½ miles

Jamison-Quisenberry-Shobe Cemetery

Prairie Township : Section 12 : GPS 384159N – 931749W. Located in the Sedalia Country Club golf course rough between the 10th, 11th, and 18th fairways. Surrounded by a white wood fence. Attended by course maintenance crews. Most stones broken or down. Cemetery has been closed to burials for over half a century.

Prairie TWP 45N, Range 22W, Section 12; West on 16th Street to Walnut Hills Golf Course; Site is fenced and visible from street at second entrance; stones have been placed upright; cemetery looks well-kept by the course maintenance crews. The information about the stones being broken or down comes from George C. Willick. According to the *Van Natta Family History*, 229-230, at Boonslick Regional Library in Sedalia, the cemetery was in disrepair in October 1996 and May 1997, but had been restored by October 1997; transcribed by Carol, Amy, and Justin Watkins on 9 April 2010

DAR recording: Mamie McCormick and Mrs. Ira A. Leiter, 11 December 1952; this cemetery is located in Prairie TWP, NW of NW Section12, TWP 45, R 22 on West 16th Road about 1 ¾ miles west of Pittsburg Corning Factory on the south side of the road, property owned by John Talbot, Walnut Hills, RR #3, Sedalia, MO. At an early day, a Christian Church was built at this site. As members moved about, the church was abandoned and now the cemetery has not received any care for years. Land owners have maintained a fence. It is possible that many of the earliest graves are unmarked. The earliest death date found on a stone was 1859. Charles Lewis donated the land for the Chruch and the Cemetery. While the neighborhood name for the cemetery has been Shobe, the majority of the names found are from the Quisenberry family. Jackson Quisenberry and his family from Clark Co., KY, was in the area before 1840. Mary A. Jamison, wife of Harrison Jamison, was a sister of Abel Shobe. They came from Warren Co., KY. Jackson Quisenberry's sister, Rhoda, married Peter Courtney. Courtney names belong to that family.

Raines Cemetery

Heaths Creek Township, Section 21 (NW quarter). On the east side of Hwy J, where Walk Road joins J from the west, a quarter mile south of Saline border. Visible.

Cemetery has some iron fencing, is unattended, and chigger city…no place to pull off. I'd say someone with a will to succeed should visit this cemetery in February (on a bicycle?) with an hour to spare on either side of noon. GCW

One marker for a John L. Newton was removed from here and placed by his wife's marker at Miller's Chapel Cemetery. Not a grave relocation.

Heath's Creek TWP 48N, Range 20W, Section 21 (NW); North 9.6 miles on Highway 65, East and North 9 miles on J to Walk Road; Cemetery on right of J (south of intersection with Walk Road)

DAR: Heath's Creek TWP, Pettis Co., MO, NW of Section 21, TWP 48N, R20W. On County Hwy J a short distance S of the Saline-Pettis county line where the road goes in a SW direction. East side of the road a short distance from farm house (1959) of E. W. Schanz. Two early land entries in this area were by Charles Raines and Martha Raines. This family apparently came through Kentucky from Virginia. The earliest names in local histories give names of Charles Raines and his wife Margaret Lockridge. They were married in Saline County, as they apparently had large areas of land. Later, different descendants owned several large farm tracts in the northern part of Heaths Creek TWP. Copied by Mrs. Robert Bealert, Mrs. Ira A. Leiter, and C. L. Rages (1959)

Justin Watkins took photos of stones in this cemetery on 19 March 2010

Dresden Township, Section 11 (SE quarter). Five markers.

Dresden TWP 46N, Range 22W, Section 11 (SE of SE); West on Highway 50 to MM, East and North on MM to Eckles Road; Cemetery is back of Carl Eckles garage

DAR: Dresden TWP, Pettis Co., MO, SE of SE Section 11, TWP 47N, R22W. Located on farm of E. E. Hefner (1959). Located NW of Dresden ½ mile N of Walnut Branch School. It appears that the land was entered from government land by the early settler who may have been in the county in the 1830s. An 1850 Federal Census of Pettis Co., MO, gives KY as place of birth for Thomas Rees, with VA for his wife Maria. The children at home were Thomas Reese, Jr., Catherine, William, Benton (11 years old), and Maria. There may have been older children who were not at home. Maria married Luther J. Luckett. Their son, Thomas Rees Luckett, born 19 Nov 1867, was one of Pettis County's school superintendents. Record copied by Mrs. Dorothy Hefner in 1948.

South Fork Cemetery

Blackwater Township – Section 27. About ½ mile east of 127 on the south side of South Fork Road, probably about 3 miles south of Sweet Springs (in Saline County). The cemetery is currently attended. Fenced. Limited burials, basically inactive. TYPE: pre Civil War rural family, became a Baptist church cemetery, then private after church destroyed. Expanded from original 1847 plat of 40 X 60 feet. [Can't tell how/where this plat is today.]

Record in afternoon sunlight, take a nylon bristle scrub brush for the moss. In summer, lots of poison ivy. We have about 85 names below, which puts us at 1/3rd of this cemetery's markers.

Clay Parsons writes, "I am on the board for this cemetery and have had it cleared of brush this year (2006/7). This cemetery was built by a man named Spurgeon in 1847 who wrote, 'I have just made a burial ground 40 by 60 feet.' This cemetery is built on the original prairie, and the tall grass east of the chain link fence contains big blue stem and Indian grass. The sharp drop off 3 to 4 feet around all sides of the cemetery shows how much top soil has been lost in farming. The current road by the cemetery was built in 1920s when a bridge was put across South Fork. There are foundation stones of the Primitive Baptist Church visible 150 feet north of the chain link fence."

Blackwater TWP 48N, Range 23W, Section 26 (NW); West on Highway 50 to 127, North on 127 to South Fork Road, East .5 miles

Osage Chapter, DAR: Copied October 1965 by Mrs. Melvin Lane; updated in 1986

Marshall Chapter, DAR, also transcribed this cemetery in the 1960s—this was published by Elizabeth Prather Ellsberry in *Cemetery Records of Saline County, Missouri* VII: 40-46

A transcription of this cemetery appeared in the *Prairie Gleaner* 13, no. 4 (September 1982), 130-131; 14, no. 1 (December 1982), 19-20; 14, no. 2 (March 1983), 53-54; 14, no. 3 (June 1983), 85-86. It is located near Sweet Springs, MO

George C. Willick also provided an update on 4 June 2004; additional update by Justin Watkins on 18 July 2009

Blackwater Township Northwest. Northwest Section 26, Township 48, Range 23. About ½ mile east of 127 on South Fork Road, probably about 3 miles south of Sweet Springs (in Saline County)

This transcription was originally compiled by J. R. Carter, and subsequently reprinted by the West Central Missouri Genealogical Society in 1997, as "Tombstone Inscriptions of Pettis County, Missouri : Vol 1, 2, and 3". Laura Paxton transcribed this work from these books.

The original online listing for this cemetery was from the 1986 DAR update. The DAR provided an original listing in Volume 3 of their five-volume set. This was never transcribed by Mrs. J. R. Carter.

Longwood Township, Section 7. [Problem is…there is no Section 7 in Longwood Township. Old directions: "North of Route J on farm owned by John and Mary Ruth Nichols."] It was organized by four denominations: The M. E. Church, Cumberland Presbyterian, Reformed, and M. P. Churches in 1852. Then became known as The Christian Church. It was a brick structure, with only the foundation still visible in the early 1960s.

Walnut Christian Church Cemetery

Listed as an unnamed burial site by Mrs. J. R. Carter, the name of this cemetery is given as "Walnut Christian Church Site" by Elizabeth Prather Ellsberry. The following is her transcription. "Located about eight miles south of Sedalia. State maintained road U goes by the site."
"The location of the cemetery is in the SE of NW section 10, township 44, range 21 Flat Creek Township, Pettis Co., MO. This distance from Sedalia is about eight miles south. State maintained road U goes by the site.
In February 1889, members of the McCormick, Bohon, Goodknight, Knight, McFatrich, and Durrill families with their pastor, John Elmore, met and organized the Walnut Christian Church. The group had been meeting at Liberty School since 1868. The adjoining plot was used as a cemetery for several years, but after the child building was moved about twenty-five years later, some of the graves may have been moved. At present, the plot is fenced away from adjoining farm land. Eliphalet Durrill, who came from the state of Ohio, was married in Pettis County to Sarah Johnson, April 19, 1849. He owned property in that neighborhood." [DAR is the source of this quotation]
This cemetery was transcribed by Mrs. Ira A. Leiter and Miss Mamie J. McCormick for the Osage Chapter of the DAR, 8 March 1954.

Erbin and James Warren Cemetery

Flat Creek Township - Section 16, north side of SE quarter of SE quarter. [If correct, this puts it a little less than a mile south-southeast of Spring Fork.]

Because of the confusion between the locations of the two Warren cemeteries and some odd readings...I wouldn't hold all of this as gospel until these two cemeteries are relocated and recorded again. GCW

Sedalia TWP 45N, Range 21W, Section 16 (SE of SE); South on Ingram and U to Covered Bridge Road; In pasture 1 block from road. DAR: This land was entered by members of the Warren family in early days and had remained in that name for a number of years. This farm is over one miles S on Kentucky Street from the city limits and E less than ¼ miles, farm is at intersection of east bound road. Erbin and James Warren were sons of Hedgeman Warren and Lyda Cannon, who were married in Christian Co., KY, in 1809. The sons evidently married in KY but from 1850 census records it appears that all of their children were born in MO. Unusually large tracts of land were entered by father Hedgeman, these two sons, and another son, Hedgeman. One of our DAR members, Mrs. Herbert Mason, is a granddaughter of Erbin Warren. The 1850 United States Census for Pettis County shows the place of birth for William Wright as Virginia. His wife's age was given as 30, possibly second wife, as Joseph Wright was 17 and James M. Wright was 15, both born in Missouri. Two other members of the household were Basles Steele and Newton Steele, the former 6 years old and the latter 4, both born in Missouri. These two may have been children of Martha.

This cemetery was copied for the DAR by Mrs. D. M. Middleton, Mrs. W. T. Bishop, and Mrs. Ira A. Leiter, 12 March 1957

An additional transcription of this cemetery appeared in the *Prairie Gleaner* 2, no. 3 (June 1971), 63. The data is agreement with that listed below.
